

CLOUD SERVICES AGREEMENT

This Cloud Services Agreement (the “Agreement”) is an agreement between the Company (as defined below, or “We,” “Us,” “Our”) and you, whether individually or on behalf of an entity, as applicable and identified in the Grant Letter (“Customer,” “You,” “Your,” or “Yourself”). Company and Customer may each be referred to in this Agreement as a “Party” or together as the “Parties.”

By accessing or using the Cloud Services, You agree to this Agreement on behalf of You and Users and You represent and warrant that You have full authority to bind You and Users to this Agreement. If You do not agree to this Agreement, You may not access or use the Cloud Services, and You must immediately notify Us to cancel the Cloud Services identified in the Grant Letter without accessing or using the Cloud Services. In the event You purchase from an Authorized Partner, the terms of this Agreement apply to Your use of the Cloud Services and prevail over any inconsistent provisions in Your agreement with such Authorized Partner.

If You are accepting this Agreement on behalf of another person or other legal entity, You represent and warrant that You have full authority to bind that person or legal entity to this Agreement. If You have not paid for a subscription to the Cloud Services, such services are deemed an *Evaluation Product* under Section 12.

Capitalized terms used in this Agreement have the meaning assigned to them in Section 15 or elsewhere in this Agreement.

1. RIGHT OF USE AND RESTRICTIONS

- 1.1 **Right to Access and Use.** Subject to the terms of this Agreement, We grant You a limited, revocable, nonexclusive, nontransferable, non-assignable, non-sublicensable worldwide right to access and use the Cloud Services described in the Grant Letter during the applicable Subscription Period solely for Your internal business purposes in accordance with the Agreement and the entitlements set out in the Grant Letter(s). Use of the Cloud Services depend on the types of subscriptions purchased (e.g., Users) and are subject to the Product Entitlement definitions on the applicable date of Your Grant Letter. You must have an active subscription to the Cloud Services in order to continue to receive access to the Cloud Services. User-based subscriptions may not be shared or used by more than one individual User but may be reassigned to new Users who are replacing former Users that have been terminated or otherwise no longer use the Cloud Services.
- 1.2 **Affiliates.** You may permit Affiliates to use the Cloud Services in accordance with this Agreement, provided that You are responsible and fully liable for each Affiliate’s compliance with this Agreement.
- 1.3 **Access Software.** If We provide Software to You to access the Cloud Services, You must access the Cloud Services with that Software. Such Software is provided to You subject to the EULA, which applies with respect to any Software. Such Software may include, without limitation, APIs, cloud connectors, key agents, integrators, and extensions that may be used to access or integrate with the Cloud Services. Any conflict or inconsistency between the EULA and this Agreement will be resolved in favor of the EULA if it relates to Software, and this Agreement as it relates to Cloud Services or other matters.
- 1.4 **Developer Portal APIs Provided as a Service.** You may use any APIs and instructions that We may make available through Our developer portal in accordance with this Agreement for integration of Our Cloud Services with non-Company applications for Your internal, non-commercial, non-production network environment use only, except as otherwise mutually agreed in writing. We have no responsibility, and You are wholly responsible for any API integration by You with non-Company applications or for any third parties processing of data sent via API at Your direction. APIs ARE PROVIDED "AS IS" WITH NO WARRANTY WHATSOEVER.

EXPRESS, OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF NONINFRINGEMENT, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE HEREBY EXPRESSLY DISCLAIMED.

1.5 **Managing Parties.** If You enter into a contract for a third-party to manage Your information technology resources (“Managing Party”), You may authorize the Managing Party to use the Cloud Services on Your behalf, provided that:

- (a) the Managing Party only uses the Cloud Services for Your internal business operations;
- (b) the Managing Party agrees in writing to be bound by this Agreement;
- (c) You provide Us with written notice that a Managing Party will be using the Cloud Services on Your behalf; and
- (d) You remain responsible for all use of the Cloud Services by the Managing Party.

1.6 **Restrictions.** You will not, and will not allow Users or any third parties to:

- (a) license, sublicense, access, use, sell, resell, transfer, assign, distribute, or otherwise commercially exploit or make the Cloud Services available to any third-party;
- (b) modify, decompile, reverse engineer, or copy the Cloud Services, or any of their components;
- (c) access or use the Cloud Services to build or support any products or services competitive with the Cloud Services;
- (d) use the Cloud Services to conduct fraudulent activities;
- (e) attempt to gain unauthorized access to the Cloud Services, engage in any denial-of-service attacks, or otherwise cause immediate, material, or ongoing harm to Us, the provision of the Cloud Services, or to others;
- (f) impersonate or misrepresent an affiliation with a person or entity;
- (g) access or use the Cloud Services for monitoring the availability, security, performance, functionality, or for any other benchmarking or competitive purposes without Our express written permission;
- (h) falsely identify Yourself or provide any false information to establish any account that will be used to gain access to and/or use of any Company Products;
- (i) use the Cloud Services to initiate or propagate Malware;
- (j) use the Cloud Services as an HTTP server that allows third-party relay or proxy of web traffic; or
- (k) use the Cloud Services in a manner that violates applicable law or regulation, infringes on the rights of any person or entity, or violates this Agreement.

Each of (a) to (k) is a “Prohibited Use”. A Prohibited Use is a material breach of this Agreement, as determined in Our sole discretion.

1.7 **Right to Use Customer Data.**

- (a) You grant Us a non-exclusive, royalty-free right and license to access and use the Customer Data as necessary during the Subscription Period:
 - (i) for Us to provide the Cloud Services and Support to You during the Subscription Period; and
 - (ii) for administering this Agreement, including assuring that the right number of subscriptions and/or User accounts have been issued.

2. YOUR OBLIGATIONS

- 2.1 **Access.** You are responsible for all activity occurring under Your Cloud Services and Support accounts. You will provide Us with all information and assistance required to supply the Cloud Services or enable Your use of the Cloud Services. You will immediately notify Us of any unauthorized account use or other suspected security breach, or unauthorized use, copying or distribution of Cloud Services, Documentation or Customer Data.
- 2.2 **System Administrator.** As needed, You will provide Us contact information for Your system administrator, who is authorized to provide the information required to configure and manage the Cloud Services (“System Administrator”). Depending on the Cloud Services purchased, We may provide You with a confidential access code to the administration tool, which may only be accessed by the System Administrator.
- 2.3 **Updated Information.** You must provide current and complete Users’ information as necessary for Us to manage Your account.

3. TECHNICAL SUPPORT SERVICE

We will provide Support to You in accordance with the applicable Service Schedule. The Support and/or any Support terms may be updated from time to time; however, provided that the updates do not materially reduce the level of performance, functionality, or availability of the Support during the Subscription Period.

4. PRIVACY AND USE OF DATA

- 4.1 Each Party must comply with applicable laws governing the collection, use and disclosure of Personal Data and must obtain consents required with respect to the handling of Personal Data. Unless a separate written agreement has been executed between the Parties, Your use of the Cloud Services shall be deemed to be Your agreement to the Data Processing Agreement (“DPA”) as set out in full on Our website, available at: https://www.skyhighsecurity.com/wp-content/public/legal/SkyhighSecurity_Customer_Data_Processing_Agreement.pdf. In the event of any conflict between the terms of the DPA and the Agreement, the terms of the DPA will take precedence.
- 4.2 You grant Us a non-exclusive, irrevocable, worldwide, perpetual right and license to use, reproduce and disclose Threat Data and deidentified material for improvement of products and services; research to enhance understanding of Malware, threats, and vulnerabilities; and to improve overall security. This includes without limitation compiling statistical and performance information and making such information publicly available. We retain all rights in Threat Data and aggregated and anonymized data.
- 4.3 You agree that Company Products, Services, Software, hardware, appliances, or Support may employ applications and tools to collect Customer Data. You agree that such collection of Customer Data may be necessary to provide You and End Users with the relevant functionalities. You may be required to uninstall, disable, or cease use of the above to stop further Customer Data collection, including under the circumstances described in Section 5 below. Your use of Company Products and Services is further subject to our Company Privacy Notice.
- 4.4 You represent and warrant that You:
 - (a) have the legal rights and applicable consents to provide Customer Data to Us;
 - (b) have provided any required notices and have obtained any consents and/or authorizations (including any required from Users) related to Your use of any Company Products and Our processing of Customer Data (including any Personal Data); and
 - (c) will comply with all applicable laws, rules, and regulations for collecting, processing, and transferring Customer Data to Us.

- 4.5 You have sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of all Customer Data. The Cloud Services rely on Customer Data supplied by You, and We are not liable for the content of Customer Data. Except as required under applicable law, We do not assume any duty or obligation to correct or modify Customer Data. Except as provided in this Agreement, You retain all right, title, and interest in and to Customer Data.
- 4.6 Without prejudice to Sections 4.1 to 4.5 above, You are responsible and liable for: (a) any security vulnerabilities, and the consequences of such vulnerabilities, arising from Customer Data, including any Malware contained in the Customer Data; and (b) You and Users' use of any Company Product in a manner that is inconsistent with this Agreement.
- 4.7 To the extent You disclose or transmit Customer Data to a third-party, We are no longer responsible for the security, integrity, or confidentiality of such content outside of Our control.

5. TERM; TERMINATION; SUBSCRIPTION PERIODS

- 5.1 **Term.** This Agreement will continue until terminated in accordance with this Agreement. If any Subscription is in effect when the Term of this Agreement terminates or expires, this Agreement will remain in effect solely for the purposes of the Subscription until the Subscription expires or terminates.
- 5.2 **Termination for Cause.** Either Party may terminate this Agreement immediately for cause if:
- (a) the other Party breaches this Agreement and has failed to remedy a remediable breach within thirty (30) days of receipt of a notice from the first Party specifying the breach and requiring it to be remedied, or if the breach is incapable of remedy;
 - (b) the other Party or its property is subject to insolvency or receivership procedures;
 - (c) the other Party becomes insolvent or unable to pay its debts as they mature;
 - (d) the other Party makes an assignment for the benefit of creditors; or
 - (e) the other Party becomes the subject of any other proceeding under any bankruptcy, insolvency, or debtor's relief law.
- 5.3 **End-of-Life.** Your right to access and use the Cloud Services, and any features of the Cloud Services, are subject to the End-of-Life Policy located at: https://www.skyhighsecurity.com/wp-content/public/legal/EOL_Policy-Skyhigh%20Security.pdf. Upon the End-of-Life date of a Cloud Service or any feature of a Cloud Service (as described in the End-of-Life Policy), Your right to access and use the applicable Cloud Service or feature will terminate.
- 5.4 **Suspension or Termination of Cloud Service by the Company.** Notwithstanding any provision to the contrary contained herein, We may suspend or terminate the Cloud Services:
- 5.4.1 immediately if We consider it necessary to prevent or terminate any actual or suspected Prohibited Use; or
 - 5.4.2 upon notice to You if:
 - 5.4.2.1 You commit a material breach of this Agreement;
 - 5.4.2.2 We receive notice from an Authorized Partner that You are in material breach of the Agreement (including Your Agreement with the Authorized Partner);
 - 5.4.2.3 We reasonably determine that the volume of data being transmitted or processed through the Cloud Services under Your account is significantly greater than the average use or may cause degradation of the Cloud Services for You or other customers; or
 - 5.4.2.4 there is a threat to the security and integrity of the hosted environment or Customer Data.

Suspension or Termination of Cloud Services by Us will be without prejudice to any rights or liabilities accruing before or during the suspension, including Your obligation to pay fees.

- 5.5 **Termination Obligations.** After termination of a Subscription Period for a particular Cloud Service, You agree that We have no obligation to retain Customer Data for that Cloud Service, which may be permanently deleted as part of Our record and information management practices and in accordance with applicable laws. If any Customer Data is stored by the Cloud Service, You are solely responsible for retrieving that Customer Data.

6. PAYMENTS; TAXES; COMPLIANCE VALIDATION

- 6.1 **Payments.** Unless You are purchasing the Cloud Services through an Authorized Partner, in which case payment obligations will be exclusively between the Authorized Partner and You, You will pay Us the fees for the Company Products within thirty (30) days of the invoice date without any deduction, setoff, or withholding, and except as otherwise specified by Us or Our Authorized Partners in writing, all fees are quoted and payable in United States dollars. Late payments are subject to interest of one and one-half percent (1.5%) per month or the highest rate permitted by law, whichever is lower. All payment obligations are non-cancelable, and all fees are non-refundable except to the extent expressly provided for in this Agreement. Any ongoing or recurring fees or rates by reference to which such fees are calculated may be increased on an annual basis upon at least 30 days' written notice before any periodic renewal of the Cloud Services. If You believe in good faith that an invoice is incorrect, You must contact Us in writing within thirty (30) days of the date of invoice to request an adjustment or credit. Notwithstanding the foregoing, if You fail to notify us of any disputed amounts and/or otherwise fail to satisfy any undisputed payments within thirty (30) days of the due date, then We may, without any prior notice, suspend and/or revoke the rights granted herein and stop providing the Cloud Services to You and Users.
- 6.2 **Transaction Taxes.** If You purchase the Cloud Services directly from Us for use or resale, You will pay all applicable transaction taxes, including sales and use taxes, value added taxes, duties, customs, tariffs, and other government-imposed transactional charges however designated (and any related interest or penalty) on amounts payable by You under this Agreement ("Transaction Taxes"). We will separately state on an invoice the Transaction Taxes that We are required to collect from You under applicable law. You will provide proof of any exemption from Transaction Taxes to Us at least fifteen (15) Business Days before the due date for paying an invoice. If We do not collect the required Transaction Taxes from You but we are subsequently required to remit the Transaction Taxes to any taxing authority, You will promptly reimburse Us for the Transaction Taxes, including any accrued penalty or interest charges if the failure to timely collect and remit was not due to Our fault.
- 6.3 **Withholding Taxes.** All payments due from You will be made free and clear and without deduction for any present and future taxes imposed by any taxing authority. If You are required by applicable law to deduct or withhold income taxes from amounts payable to Us under this Agreement ("Withholding Taxes"), You will remit, and provide Us with evidence that You have remitted, the Withholding Taxes to the appropriate taxing authority and pay to Us the remaining net amount. You will provide written notice to Us of the intent to withhold (including details of the amounts and legal basis for Withholding Taxes) at least fifteen (15) Business Days before the due date for any payments under this Agreement and will cooperate with Us to reduce any Withholding Taxes. If We provide You with valid and official documentation issued by the relevant taxing authority for a lower rate of Withholding Taxes, then You will apply the lower rate.
- 6.4 If You purchase the Cloud Services through an Authorized Partner, the obligations regarding Transaction Taxes or Withholding Taxes will be the exclusive responsibility of the Authorized Partner or You, and the rules in Section 6.2 and 6.3 do not apply as between the Parties.

- 6.5 **Income Taxes.** Each Party is responsible for its own income taxes or taxes based on gross revenues or gross receipts.
- 6.6 **Compliance Validation.** We may request, and You must provide within thirty (30) days from the request date, a system-generated report verifying Your access to and use of the Cloud Services (“System Report”). You acknowledge that the System Report is based on technological features in the Cloud Services to verify access and use verification (including User counts). If the Cloud Services do not contain technological features that provide system-generated use verification, You will take reasonable steps to maintain complete and accurate records of Your use of the Cloud Services sufficient to verify compliance with this Agreement, and within thirty (30) days of Our request, You will provide to Us an accurate Cloud Services access and use verification report for the Cloud Services. We will only request the System Report (or Your prepared Cloud Services access and use verification report) once per year (or earlier if there is a good faith belief by Us that there may be noncompliance) and will not unreasonably interfere with the conduct of Your business. If a System Report or Your prepared Cloud Services access and use verification report identifies that You are out of compliance with this Agreement, You will be required to purchase the additional subscriptions and pay the reasonable costs of the audit and any fees associated with the subscriptions and/or Support. We may also charge an out-of-compliance fee.

7. CONFIDENTIALITY

- 7.1 Each Party acknowledges that it may have access to Confidential Information of the other Party in connection with this Agreement, and that each party's Confidential Information is of substantial value to the Disclosing Party, which could be impaired if it were improperly disclosed to third parties or used in violation of this Agreement.
- 7.2 **Confidential Information** as used in this Agreement means any information (regardless of the form of disclosure or the medium used to store or represent it) of a Party (“**Disclosing Party**”), including trade secrets and technical, financial, or business information, data, ideas, concepts, or know-how, that:
- (a) is designated as “confidential” or by similar words by the Disclosing Party at the time of disclosure and, if oral or visual, is confirmed as confidential by the Disclosing Party in writing within fifteen (15) days of disclosure; or
 - (b) the receiving party (“**Recipient**”) should reasonably have considered to be confidential under the circumstances surrounding disclosure.

However, Confidential Information does not include any information that:

- (a) written records demonstrate was lawfully acquired by or previously known to the Recipient independent of the Disclosing Party;
 - (b) is received from a third-party without restrictions on its use or disclosure and not by inadvertence or mistake;
 - (c) is or has become disseminated to the public through no fault of the Recipient and without violation of the terms of this Agreement or other obligation to maintain confidentiality; or
 - (d) is created independently by the Recipient without breach of this Agreement, including any obligation of confidentiality owed to the Disclosing Party.
- 7.3 Each Recipient of Confidential Information under this Agreement must:
- (a) keep the Disclosing Party's Confidential Information confidential and protect it at least to the same extent it protects its own Confidential Information and to the same extent that a reasonable person would protect such Confidential Information;
 - (b) not use the Disclosing Party's Confidential Information in any way for its own account or

the account of any third party except to perform its duties, exercise its rights or is otherwise authorized under this Agreement; and

- (c) not disclose the Disclosing Party's Confidential Information except to perform its duties or exercise its rights under this Agreement or as otherwise authorized under this Agreement, provided that:
 - (i) any disclosure made to the Recipient's employees, contractors or agents is on a need-to-know basis; and
 - (ii) the Recipient's employees, contractors, or agents in receipt of the Confidential Information are under an obligation of confidentiality no less stringent than that set forth in this section.

7.4 Notwithstanding the restrictions in Section 7.2, if the Recipient is required to disclose any of the Disclosing Party's Confidential Information by law, such as in response to a subpoena or requirement of any court, arbitral, administrative, or legislative body, the Recipient must:

- (a) where reasonably possible and permitted, immediately provide written notice to the Disclosing Party of the required disclosure to give the Disclosing Party an opportunity to move for a protective order or otherwise prevent the disclosure;
- (b) disclose only the minimum amount of Confidential Information required to satisfy the legal obligation; and
- (c) assert and take proper steps with the body requiring disclosure to maintain the confidentiality of the Confidential Information to be disclosed.

7.5 You will immediately notify Us if Confidential Information is used or disclosed in breach of this Agreement. As monetary damages may not be sufficient relief if anyone violates or threaten to violate the terms of this section, We are immediately entitled to enforce Our rights by specific performance or injunction proceedings, in addition to any other rights or remedies it may have.

7.6 Upon the Disclosing Party's request and upon termination of this Agreement (unless agreed otherwise by the Parties at the time), each Party will return, destroy, or delete permanently (at the Disclosing Party's election) the other Party's Confidential Information.

7.7 On termination of this Agreement, the Recipient must continue to keep the Disclosing Party's Confidential Information confidential for five (5) years in accordance with this section.

7.8 **Feedback.** We welcome any comments, suggestions for improvements, and feedback regarding the Cloud Services and other products and services of Us and our Affiliates ("Feedback"). You hereby agree that We own all right, title, and interest in and to the Feedback, including any and all associated Intellectual Property Rights, and that We may use, copy, modify, create Derivative Works based upon, and otherwise exploit the Feedback for any purpose, without notice or attribution to, payment to or consent from You, and You acknowledge that such Feedback will be the Confidential Information of Us, and not You.

IF APPLICABLE LAW DOES NOT ALLOW THE EXCLUSION OF SOME OR ALL OF THE ABOVE IMPLIED WARRANTIES, THE ABOVE EXCLUSIONS WILL APPLY TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.
- 9.3 **No Guarantee.** NO DATA TRANSMISSION OVER THE INTERNET CAN BE GUARANTEED TO BE SECURE. CUSTOMER ACKNOWLEDGES THAT WE ARE NOT RESPONSIBLE FOR ANY INTERCEPTION OR INTERRUPTION OF ANY COMMUNICATIONS THROUGH THE INTERNET, NETWORKS, OR SYSTEMS OUTSIDE OUR CONTROL AND THAT THE CLOUD SERVICES MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS.
